Google Reviews ★★★★★

Happy customers mean the world to us!

★★★★★

Allan B.
I just had an A.C unit installed by Pro Trades. From the start dealing with their team installing the unit was fantastic and very professional. Have used them in the past and will definitely use them again and will recommend them to others.

★★★★★

Charlene L.
Love everything about this business. I have hired them for various plumbing projects and have been thoroughly satisfied every time.

★★★★★

Craig P.
Pro Trades has provided incredible service for plumbing, HVAC, water heaters, etc. Great to call 1 place for all your trade services.
